Camp Overview

Join us for a week of watercolor creations! Each day, create fun, age-appropriate art projects involving both liquid and traditional watercolors. Dress for a mess and plan to bring home a lot of cool creations. Art work will include watercolor collages, stained glass, marbleizing, gelatin, and wood. Please note that the afternoon session for the older children will contain similar projects, but with more detailed involvement.

Crafts and projects the children work on during the week may go home the same day, or may require several days to complete.

Expectations for Parents

Parents need to complete and submit a 2013 Health Care Form for their child by June 1. Parents are expected to drop off their child five minutes before the program and pick up promptly at the conclusion. A picture ID is required to pick up your child. Anyone picking up a child from Watercolor Camp must be listed on the child's Health Care Form.

Camp Fees/Dress/What to bring

The program fee is \$75 for Residents and \$85 for School District & Non-Residents. All supplies are included in the class fee. Participants should dress for a mess since some of the mediums used may cause staining. We use washable materials in class, but sometimes even washable materials permanently stain clothing.
